NOTE: The listing of schools in the *Record Book* includes the city, the name of the high school, and the state. In cases where the city and the name of the high school are the same, just the city and state are listed. (Example: Chicago Brother Rice, IL, refers to Brother Rice High School in Chicago, Illinois. El Segundo, CA, refers to El Segundo High School in El Segundo, California.)

All ties are listed in chronological order with the most recent performance listed highest. If ties remain after applying that policy, the record holders are listed alphabetically by town name in the case of team records and by the individual's last name in the case of individual records.

All listings in this book are current through the 1983-84 school year.

Application for a national record may be made to the National Federation or the State High School Association. Candidates are encouraged to make application promptly after an outstanding performance.

The National Records Committee has set forth policy establishing an athletic season as the season in which there is state tournament competition or, in the case of a state holding dual state tournaments, the season in which most of the country is holding competition. An athletic career is limited to four of these seasons.

FOREWORD

The National Federation of State High School Associations welcomes you to the seventh edition of the **National High School Sports Record Book.** As the organizations responsible for protecting and promoting high school athletic programs in the United States, the National Federation and its membership acknowledge an obligation to make this publication available.

The **National High School Sports Record Book** will bring proper recognition to high school boys and girls, coaches and teams who have achieved outstanding performances in interscholastic athletic competition. The National Federation believes such recognition helps stimulate interest in high school athletic programs and motivates other competitors to improve their skills. Moreover, National Federation guidance of the national interscholastic records program will assure that only deserving teams and individuals will lay claim to national records.

The National Federation Records Committee oversees the interscholastic records program. The committee, which meets annually in July, forms policy which it believes is necessary to make the records program reliable and the records authentic. Occasionally, new policies have required deletion of performances which appeared in previous editions. The National Federation invites information which may lead to additional records listings or corrections of existing listings.

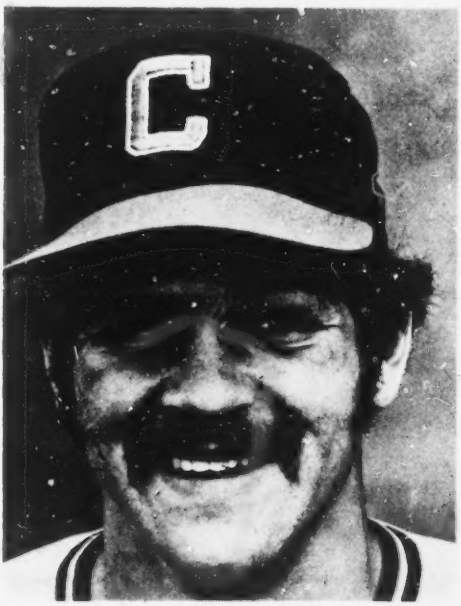
Major stockholder in the prep record book



Dave Clyde was a prep phenomenon. He was once listed in 14 separate categories in the **National High School Sports Record Book** and his name still permeates the pitching categories.

Clyde is listed among the pitching leaders in 11 categories and heads the national listing in five departments. His 842 career strikeouts are over 200 more than runner-up **Larry Knight** of **Chattanooga, TN,** and he is the only hurler in prep history to register over 300 strikeouts in a season.

Clyde's true dominance is shown in the number of times he is repeated. The **Houston Westchester** star is the only prep hurler to be listed twice for most shutouts in one season and most consecutive shutouts. His 327 and 251 strikeout totals from 1973 and 1972, respectively, rank first and sixth in the seasonal strikeout category.

No less than 43 times did Clyde strike out 10 or more batters in the 61 games he started. Only four times over the last two years of his career did he allow five or more hits.

Prep baseball's first ace

Few high school performers have ever showcased their talents in as dramatic a fashion as **Ken Beardslee,** pitching great from **Vermontville, MI.**

During his short 25-game high school career he struck out 452 hitters, won 24 of 25 pitching decisions, tossed eight no-hitters and two perfect games. His lone setback was also a demonstration of pitching brilliance as he dropped a 1-0 verdict his senior year.

The Michigan strikeout artist averaged better than 18 strikeouts a game and in 1949 averaged over 19 whiffs a game, striking out 209 in only 11 contests. He once set down 25 hitters on strikes in a 10-inning triumph over Holt. Another of his top strikeout performances came in a one-hitter when he registered 20 K's against Saranac and in a no-hit effort against Potterville he chalked up 19 strikeouts.

The prep standout went on to sign for $6,000 with the **New York Yankees** in 1949. The aspiring young pitcher was one step from the big leagues when a back injury in the International League prematurely halted his career. His record in the Yankees' minor league chain was an impressive 62-24, including a 32-8 standard over his final two seasons.

When his playing days ended, Beardslee continued to lend talents to the game of baseball by conducting camps in Indiana and scouting for the **Pittsburgh Pirates** for nearly 20 years. Among the talents he came up with for the Pirates was **Dave Parker,** power hitting outfielder who paced Pittsburgh to a world championship in 1979.

***TOUGH OUTS — Jaymie Stum** (top left) of **Elliotsburg West Perry, PA,** hit 27 consecutive games, the third best streak ever, during the 1980 season. During the span he fashioned a 42-for-82 showing for a sizzling .512 average. **Keith Roy** (lower left) had a dream day at the plate for **Collinsville Canton, CT,** in 1981 when he paced his school to a 17-8 victory over Torrington Oliver Wolcott Technical. He became one of 14 prep players to record six hits in a contest. **Adam Scales** (right) of **Adairville, KY,** put on one of the most awesome run-producing displays in prep history in 1981. In leading Adairville to a 10-5 win over Todd County Central, Scales registered back-to-back grand slam homers in the opening two innings of the contest. He finished the game with a three-for-four performance that included 10 RBI while figuring in all of Adairville's scores.*

***GOOSE EGGS — Houston Astros'** righthander **James Rodney (J. R.) Richard** was the first prep to be listed in both the hitting and pitching sections of the **National High School Sports Record Book.** The righthanded strikeout artist did not allow an earned run in 1969, his final year at **Ruston Lincoln High School.** Just as imposing at the plate, he is one of only 14 preps to hit four or more home runs in one game, turning the feat against Jonesboro Jackson in a 48-0 rout. The performance also garnered him 10 RBIs, two short of the national all-time high. **Kelly Owens** (right) of **Junction City, AR,** was nearly untouchable while registering a 45-2 career record from 1979-81. He produced records of 10-1, 17-0 and 18-1 and established the nation's second-best mark by chalking up 32 consecutive victories. His 24 shutouts are second only to the national best of 29 established by David Clyde.*

***BIG LEAGUE LEFTIES** — Only one of five high school pitchers to win 50 or more games in his career, Baltimore Orioles' ace **Scott McGregor** (left) continues to climb up the ladder of professional baseball success. McGregor was twice named California Interscholastic Federation-Southern Section Class AAA "Player-of-the-Year" while hurling for **El Segundo** in the early '70s. He posted a 51-6 career record and is listed in five national high school pitching categories. Former Arizona State star and big leaguer **Floyd Bannister** of the Chicago White Sox (right) didn't do too badly in high school either. Bannister had a career ERA of 0.56 while pitching for **Seattle Kennedy** in Washington State. He didn't allow an earned run in 1973. He posted 15 victories as a senior, earning the team's Most Valuable Player award for the third straight year while leading the Lancers to a state title.*

***CHAMPIONSHIP FORM** — In the 1960 Texas State Conference AAA baseball final, **Seguin,** behind the no-hit hurling of **Chuck Hartenstein** (top left), blanked Synder 3-0 for the coveted title. The smallish pitcher, known affectionately as "Twiggy" by his teammates, had stints with several major league clubs in his career, including the Chicago Cubs. In 1967, Los Angeles Dodger standout, **Burt Hooton** (right), led **Corpus Christi King** into the Texas Conference AAAA state final game by hurling a 2-0 no-hitter against Houston Lee in the semifinals. King went on to win the state crown, besting Abilene Cooper 1-0 in the final. **Ken Holtzman** (lower left) once pitched a no-hitter in the Missouri state semifinals for **University City.** University City, who beat Springfield Hillcrest 4-0 behind Holtzman, won the state title that year (1963), downing defending state champion Cape Girardeau Central 6-3 in the finale. Following his prep career Holtzman enjoyed a successful and lengthy big league career, touring with the Cubs on two occasions as well as the Oakland A's and New York Yankees during the two American League clubs' championship years in the 1970s.*

ILLUSTRIOUS PATH — Bill Bradley *(above left) during the glory years of the New York Knicks of the '70s. Today (above right) the former Rhodes Scholar serves the nation as a United States senator.*

From little Crystal City to Congress

From a small city in Missouri to one of the highest ranking offices in the nation's government, United States Senator **Bill Bradley** (D-New Jersey) has pounded a few roads to get where he is today.

Bradley was born and raised in **Crystal City,** where he scored 3,068 points in his four-year high school career. Spanning 1957-61, Bradley scored at a 27.4 points-per-game clip through his 112-game high school stint. Playing for coach **Arvel Popp's** Hornets, Bradley amassed 404 points his freshman season, 672 as a sophomore, 946 as a junior, and closed out his sparkling career with 1,046.

Bradley led the Hornets into the final four of the Missouri state tournament three times but the elusive title escaped Crystal City all three years. The Hornets finished fourth in his sophomore year, third when he was a junior and lost to St. Louis University in the finals 52-51 his senior year. Crystal City had beaten University previously that same year.

Bradley pumped in 20 or more points in 89 of his 112 high school games. Included were 12 games of 30 or more points, seven of 40 or more, and two of 50 or more.

Born in 1943 to banker Warren Bradley and wife Susan, the senator resided in Crystal City until he enrolled at Princeton University in New Jersey. There Bradley continued to excel on the hardwood and also gained recognition for his classroom achievements as well. He was named to an All-American squad twice and helped the United States team garner a gold medal in the 1964 Olympic Games.

After graduating a Rhodes Scholar in 1965, Bradley went overseas to Oxford for two years before returning home to play for the New York Knicks of the National Basketball Association (NBA). His illustrious 10-year pro career ended in 1977.

***PERENNIAL CHAMPS** — Shown above is the 1980 edition of the Glasgow, MT, cross country team which ran away with an eighth consecutive Montana team championship. Although Glasgow's string was snapped the following year, the eight titles stand as the nation's best for both consecutive and all-time girls championships.*

***PACE SETTERS — Betty Jo Springs** (left) became the first girl to capture four state cross country titles when she won the 1978 Florida Class AAA championship. **Eryn Forbes** (right) provided Beaverton Sunset with three Oregon Class AAA title, winning state crowns in 1975, 1976 and 1978.*

***BIG WINNERS — Brenda Falash** (top left) won three consecutive Idaho cross country titles during her career at **Twin Falls.** She was also a three-year basketball standout and valedictorian of her 1977, 375-member class. **Joan Hammeren** (bottom left) became only the third girl to register four career championships when the **Bismarck, ND,** native captured the 1982 state title. **Lisa Savell** of **Mobile Wright** also swept her fourth Alabama championship that same year. Although the **National High School Sports Record Book** does not recognize high school performances beyond a four-year career, Savell's impressive credentials actually include six titles dating back to state meet competition as a junior high student. Hammeren topped North Dakota girls five times dating back to her junior high career.*

A family affair . . .

When Scott Cornwell of Parkton Hereford captured a Maryland state cross country title in 1970, one of the most remarkable family accomplishments in prep history was underway. Brother Greg matched Scott's accomplishment by winning the state championship in 1971 and then younger brother David topped them both by winning three consecutive state crowns. After dominating state competition from 1970-74, the Cornwell family briefly loosened their hold on the field until 1977 when John became the fourth and final member of the family to capture state championship honors.

***STAR GOALIES — Anita Emery** (above) of **Milford Delaware Valley, PA**, was nothing short of spectacular in her three-year career. Emery collected 42 shutouts, including 17 in 1976 and 15 in 1977. Her goals against average for her 51 high school games was a stunning 0.22, allowing only 11 goals, while pacing MDV to a 47-3-1 record. Continuing in this fine tradition during 1978 was **Beth Case** (below) who allowed only 6 goals during a 17-game regular season for MDV. She gave up only one goal — on a penalty stroke — during six district and state tournament games, leading MDV to a 22-0 record and the state crown. She had 17 shutouts, tying Emery's then national single-season record. In 1979, Case had 15 shutouts and allowed only two goals as MDV posted a 17-1 record for the season.*

***ONE-TWO SCORING PUNCH** — Providing glittering offensive performances for **Milford (PA) Delaware Valley** during the 1970s were **Jill Ridley** (left), who scored 48 goals in 1978, and **Carleen McAllister,** who scored 86 career goals (1974-76) to list sixth all-time.*

The "Sugar Land Express" stands alone

The colorful history of high school football is composed of countless outstanding offensive performers who have taken on legendary status. The impressive list is almost endless — Red Grange, Dike Eddleman, Gale Sayers, Billy Sims, Earl Campbell, Pat Haden, Herschell Walker, and on and on and on.

The best of all time. Easy — **Ken Hall,** who during his sensational career established 17 national offensive records while running out of the tailback position in **Sugar Land's (Texas)** potent single wing attack. Attesting to his dominance in the sport are 15 current national records which have endured three decades of assault from nearly one million players every year.

Among the numerous career accomplishments of the "Sugar Land Express" is the distinction of being the only player in prep history to rush for over 10,000 yards during his career. Hall's total of 11,232 is nearly 3,500 yards more than runner-up Sims. He is also the all-time national total offense leader, having accumulated 14,558 yards, and the nation's most prolific scorer. His brilliant offensive talents enabled him to become the top scorer ever (899 points) and the only player in history to register over 100 career touchdowns (127).

Also the only player to rush for over 4,000 yards in a season, Hall galloped 4,045 yards in 12 games during his senior campaign in 1953, averaging over 300 yards per outing. In addition to the record-setting 1953 showing, he holds down the runner-up spot on the single season rushing chart as well with 3,458 yards in 1952.

His offensive accomplishments border on the incredible since he seldom saw extensive second-half action. During his career he recorded 38 100-yards rushing performances, including 21 consecutive games in which he surpassed the century mark during the 1952 and '53 seasons. His total offensive showing of 5,146 yards in '53 is a national best and represents an amazing one-man offensive showing of 428.8 yards per contest.

Hall's finest hour may have come against Houston Lutheran on October 9, 1953. On only 11 carries that day he rushed for 520 yards, an average of 47.3 yards every time he touched the ball. He also returned a kickoff 64 yards, ran back a punt 82 yards and returned an interception 21 yards en route to scoring seven touchdowns. Typically, he played but a few minutes in the second half of the contest.

Following his legendary prep career, Hall went on to play under Paul "Bear" Bryant for three years at Texas A&M and then played professionally with several clubs in the Canadian Football League, American Football League and National Football League.

PUTTING RIGHT FOOT FORWARD — *Adding his name to the growing list of long range field goal kickers in 1980 was* ***Kurt Baal*** *of* ***Denver (CO) Lutheran.*** *Baal logged the fifth longest field goal ever by connecting on a 61-yarder against Machebeuf. The boot came with only three seconds remaining in the game and provided Lutheran a thrilling 13-12 triumph.*

***LONG DISTANCE** — It should have been **Tony Franklin's** middle name. The soccer-style kicker from Fort Worth, TX, who has performed so well for the Philadelphia Eagles, set 18 NCAA kicking records and narrowly missed two other career marks. Included in the list of accolades are several distance marks. Franklin holds the college record for most field goals made in one game of over 60 yards, kicking a 64- and a 65-yarder against Baylor in 1976 while attending Texas A & M. The 5-foot-10, 180-pounder, a graduate of **Arlington Heights High School** in Fort Worth, booted a 58-yarder for the Yellow Jackets in 1974. The kick ties him for 11th on the all-time national list for longest field goal in high school competition.*

***SOONER STANDOUTS** — Who wouldn't coach a college football team with the nation's second and fourth ranked career high school rushers on it? Barry Switzer at Oklahoma sure didn't complain. The Sooner head coach had a backfield that totaled over 15,300 yards combined as preps. **Billy Sims** (left) is number two all-time with 7,738 for **Hooks, TX,** while **David Overstreet** (right) logged 7,652 for **Big Sandy, TX.** Both have gone on to outstanding professional careers. Sims, the 1978 Hiesman Trophy winner, is one of only two prep running backs to be listed twice in the top 10 in most yards rushing for a season, gaining 3,080 in 1973 and 2,885 in 1974. The legendary **Ken Hall** of **Sugar Land, TX,** is the only other high schooler to accomplish the feat.*

Prep stars scoring big in pro ranks

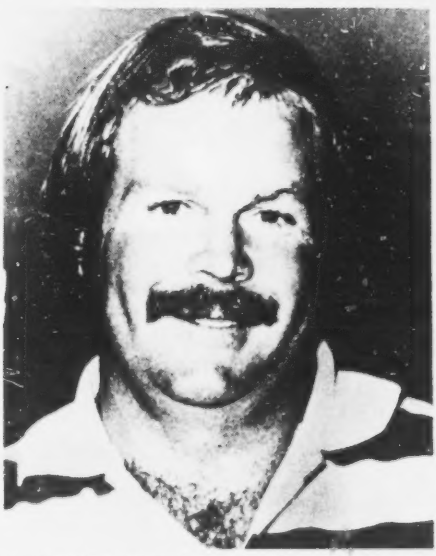
While none of the three-time state champs has made a big hit in professional golf, some of the present PGA stars did enjoy noteworthy success on the high school level. For example —

Jack Nicklaus, considered by many to be the best professional golfer of all time, left his mark not only in the college ranks at Ohio State but also on the high school level while at **Columbus Upper Arlington, Ohio.** The "Golden Bear," winner of virtually every major professional title, led the Golden Bears (believe it or not) to the state championship crown in 1956 while scoring the second lowest 36-hole total in the state's high school championship series. The blond bomber stroked a masterful 144 in pacing Arlington to one of its nine championship titles. Nicklaus' 148 in 1957, though good enough for his second championship, wasn't enough for Arlington to overcome Cincinnati St. Xavier.

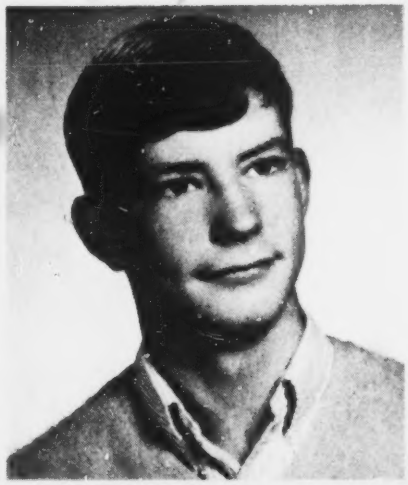
Tom Kite and **Ben Crenshaw** combined to hold on to the Texas Conference Class AAAA crown for four straight years. Kite, playing for **Austin McCallum,** scored championship rounds in 1967 and '68 before Crenshaw took up the reigns, winning individual titles for rival **Austin High School** in 1969 and '70.

Andy North, the 1978 United States Open champion, captured a pair of high school crowns in Wisconsin. The **Monona** star shot a 152 in winning the 1966 title and a sparkling 143 in garnering the '67 crown.

***MEDALISTS — Clarksville, TN,** product **Mason Rudolph** (left), another pro to climb the ladder from the high school ranks, won his state's individual honors twice. He captured titles in 1951 and '52, scoring the lowest 54-hole total ever with a 206 in the 1952 event. **Tom Watson** (right), who has won virtually every major championship as a professional, also was a two-time state medalist as a prep. The **Kansas City (MO) Pem-Day** product took individual honors with a 70 in 1966 and then toured 27 holes the following year in 108 strokes.*



***ALL-TIME GREATS —** Touring Professional Golfers Association (PGA) player **Craig Stadler** (left) was an outstanding prep golfer in California long before he burst on the professional scene with a string of major victories in the 1980s. The **La Jolla, California,** graduate shot a blistering 141 total over 36 holes to capture the California Interscholastic Federation Four-Section championship in 1971. PGA legend **Billy Casper** (right) found winning at the prep level almost as much of a challenge as winning at the pro level. Casper, while attending **Chula Vista High School** in California, won the CIF-Southern Section championship only once in three tries. The 1949 champ, winner of a sudden-death playoff, finished second his other two attempts.*



***DOWN THE MIDDLE** — Only 16 players in prep history have captured three or more state golf championships. **Mike Barnett** (top left) is the only Montana boy to accomplish the feat, winning crowns in 1967, 1969 and '70. **Chris Perry** (bottom left) of **Edina West** claimed three Minnesota Class AA state tournament wins, including a one under par 141 showing in 1980. **Dale Howell** (right) of **Larned** added his name to the impressive contingent by winning Kansas crowns from 1950-52.*

A BASKETBALL SO GOOD IT'S GUARANTEED TWO YEARS

To be within .000-.012 of an inch of absolute roundness is to come as close as you can to perfection in a basketball. The Mikasa Competition 100 basketball starts with the best center in the game, made with a double-laminated butyl bladder, wound with nylon in computer-controlled machines, and covered with the finest natural rubber undercover. The best basketball leather in the world — produced in America by a premier tanner, Gunnison Brothers, Inc. — is then precision fitted, molded and bonded to the Mikasa center with a hidden lock-edge seam to eliminate peeling. The result is a completely uniform basketball, absolutely round to within .000-.012 of an inch, balanced for performance, and guaranteed for two years not to peel, leak, or go out of round.*

***OFFENSIVE STARS — Kim Wagner** (left) of **Wauzeka, WI,** closed out an outstanding career in 1981 by moving into several national offensive rankings. Nabbed only once in four seasons on the basepaths, she ranks third all-time in stolen bases with 119, including 36 her season year. Her speed was only one of Wauzeka's offensive weapons as her consistent bat produced a .603 career average and 98 RBI, the ninth best mark ever recorded. A mainstay of the **El Centro Central Union, CA,** powerhouse, **Jill Bennett** (right) owns the second-best standard for doubles in a season with 12, setting the mark in 1980. Teammate **Sally Kitter** holds the career doubles record with 28 and is fourth all-time with 127 career hits.*

MOWING 'EM DOWN *— Over the 1982 and '83 seasons* ***Julie Bolduc*** *(left) of* ***Southington, CT****, established herself among the top pitchers in softball history. In '83 she tossed a national record 20 shutouts enroute to a perfect 23-0 record that pushed her career mark to 45-1. Included were 15 consecutive shutouts which lifted her career shutout count to 36, second on the career list. As a junior in 1982, she fashioned a sparkling 22-1 record and near-perfect 0.24 ERA that was highlighted by one of the most remarkable strings of scoreless pitching ever. As a senior she turned in 129.2 innings without allowing an earned run, the best showing ever recorded.* ***Michele Broussard*** *(right), of* ***Vandebilt (LA) Catholic*** *closed out perhaps the most remarkable pitching career in prep history in 1983 by posting a 27-0 record that brought a fitting end to a near-perfect four-year stretch. During her career the undefeated righthander posted a national record 88-0 ledger, while pacing Vandebilt to four consecutive state crowns and a national best of 112 consecutive wins. All in all, she owns three of the top five totals for victories in a season, having gone 32-0 as a sophomore and 27-0 her last two years. She also ranks third on the career strikeout chart with 684 as a result a three successive 200-plus campaigns.*

JAEGERS DOMINATE ILLINOIS TENNIS — Susy Jaeger *(right), of* ***Prairie View Stevenson,*** *bares down in Illinois state final action. In 1978 Jaeger became the second girl in the state's tournament history to win three singles titles. She could have become the first Illinois girl and a member of an elite group nationally to win four singles titles, but was upset by* ***Hinsdale Central's Susan Whitney*** *in the semifinals of the 1979 tourney. Freshman sister* ***Andrea Jaeger*** *defeated Whitney, 6-3, 6-0 in the finals; so the 1979 championship trophy stayed in the same family. Andrea repeated as state champ in 1980 and then went on to dazzle the world at Wimbledon, where she became the youngest player ever to reach the semi-finals. Since, she has rapidly emerged as one of the top players on the international women's tennis scene.*

TEXAS GREATS — Beth Kothmann** (top left) of **Junction High,** captured Texas Class A state singles titles in her sophomore, junior and senior years, after winning the state doubles crown with Lorna McDonald as a freshman in 1964. Her brother, Greer, won four boys singles titles from 1958-61. **Brenda Cook** (top right) began a championship tradition at Junction by claiming four state championships in 1959-62, becoming the nation's second four-time champ. **Stephanie Letz** (bottom left) of **Old Glory** became the next Texas standout to win four successive singles titles by accomplishing the feat from 1964-67. The latest four-time winner from the Lone Star state, **Pam Hill,** (bottom right) dominated the girls singles scene from 1975-78, winning four consecutive championships while at **Beaumont South Park.

***COACHING LEGEND — Earl F. Quigley** guided **Little Rock** (now Central) to 18 consecutive Arkansas boys state track championships, every state meet held during the 20 years he coached there. His teams lost only two of 100 track meets. His football teams posted 149 wins, 56 losses and 11 ties (.609 percentage) and won eight state championships. His basketball teams won 306 games against only 95 losses (.763 percentage) and captured four state titles. His baseball teams went 207-37 (.848) and were state champs nine times. His overall coaching record of 760 wins, 190 losses, 11 ties (.791 percentage) and 39 state championships is one of the truly great records in all of sports.*

RECORD INFORMATION

RECOGNIZING THE BEST . . .

Applications are invited for all performances which might be considered for inclusion in the National High School Sports Record Book, whether as new national records or for listing among the top performances in a specific category.

Performances must be established in competition conducted in compliance with the eligibility rules of the state high school association involved and all National Federation playing rules for the sport, unless the National High School Records Committee judges the variance in rules does not significantly give advantage to the establishment of the record performance.

Applications are available through your state high school associations and the National Federation. Completed applications must be forwarded to the home state association for its endorsement prior to consideration by the National High School Records Committee.
